

Leadership Form

Hammer & Nails encourages volunteer groups to “**take ownership**” of the selected service project. It is encouraged for the group organizer to assign specific people to lead and organize the service project. This also helps our volunteers, especially teens, to learn organizational and leadership skills.

The following is a list of leaders needed for the group’s project:

Group Supervisor: Hammer & Nails will provide, when necessary a Site Supervisor knowledgeable in the project tasks being performed to ensure the work day goes smoothly. The group **MUST** provide an Adult Supervisor/s (following the adult to minor ratios) responsible for their volunteers.

Your Group Supervisor: _____

Safety Director: This person is responsible for discussing safety guidelines each day (see & review enclosed Safety Guidelines from). Making sure the volunteers have fun is important, but reminding them of safety first to avoid injury, damage to the home or equipment. **Safety Director:** _____

Prayer Leader: Person responsible for devotions and prayer. **Prayer Leader:** _____

***New 2009: PARTICIPATION FEE** – Individual/Group Volunteers participating on a Service Mission Project for one day will pay a **\$5.00 per volunteer participation fee** to help offset the cost of materials/supplies used. Those participating in a “Mini Mission” of several days of work will be given an estimate of the project cost to fund.

Things to Bring

****In order to make your workday successful, we ask that you bring the following items:***
