Hammer & Nails is a nonprofit outreach ministry funded through the generosity of the community by donations from individuals, businesses, churches, schools and foundations. Labor is performed by volunteers at no cost to the homeowners, who are physically or financially unable to do the work themselves.

We ask that volunteer groups set sponsorship goals to allow Hammer & Nails to continue assisting the ever growing list of homeowner applicants.

Participation Fee: \$5.00 per volunteer (attending a one day service mission project)

Mini Mission Sponsorship

***\$300 Level** – average interior paint project

***\$500 Level** – average cost for a drywall project

***\$1000 Level** – average cost to paint the exterior of a house

***\$2000 Level** – average cost of a construction project (porch or roof)

**Any and all monetary donations are greatly appreciated!*
