Hammer & Nails is a non-profit outreach ministry that assists disadvantaged homeowners with home & property repairs. Work is done by volunteers, both skilled & unskilled and projects are funded by the generosity of the community.

Hammer & Nails has been blessed to partner with nearly 900 homeowners over the last 10 years. It has been an honor to work with the Tyler Rockstroh family in preparing for his homecoming. As a way to "Pay it Forward" and raise funds for Hammer & Nails to assist other families in need, Tyler's family & friends are going to **WALK FOR T-ROCK**. We hope to one day see Tyler walk to lead the way!
